

LANCE BOYLE *by Kirk Anderson*

I'd like to see how the Bushies handle **KITTY KELLY's** new book!

We were there. We snorted coke with George. And he **NEVER** did it under the dangerous influence of **STEROIDS**.

COKEHEAD FRATBOYS FOR TRUTH

No matter **HOW** high he got, he **NEVER** came out for gay marriage. After 1974.

Nuthin' sticks to these guys.

**WMD! ABU GHRAH
VALERIE PLAME!
CHALAB! ENRON!
HALAB! ENRON! NEG

Did **KERRY** snort?
Or was he one of
the **DWEEBS?!**

Zellster! Dude!
You calmed
down yet?!

Fuck you

Whoah!
What'd
I say?!

Ah'd skin you like a
jackrabbit if it was
still *legal*! Damn

...this the
Republicans'
"moderate"
approach?!

Where'd *moderates*

"**MODERATE**" ever
beat information out
of a hooded naked
Muslim? **NO!!**

What's "Zell"
short for,

Dad, what's with the combat fatigues? Are you trying to hide from Mom?

I got called back up, Lance. **ME.** Fresh from the #**%@ing **KOREAN WAR.**

#**%@ing Rumsfeld thinks he can squeeze **blood** from a **passed stone.**

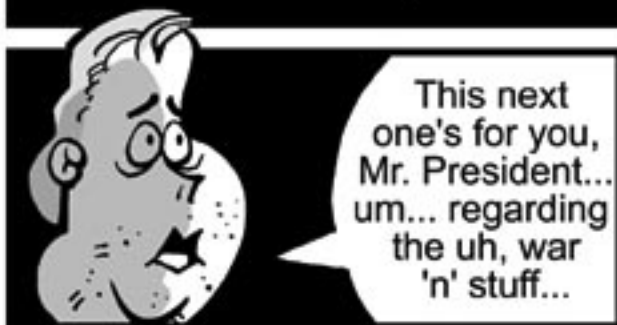

But you can hardly even **SEE** these days! Remember when you gutted & dressed that hunting dog?

They told me my sight wasn't a big deal, they're not big on aiming anyway.

Are you gonna **GO**?! What if the MRE's don't have Maalox? What if you can't get black socks & sandals in Kevlar? What if your joints --

If I can feel my joints swelling, that means it's gonna rain **RPGs.** **That's** why they want me, Lance.

To fulfill his community service, Lance moderates the first Bush-Kerry debate.

Whatuhh... uh... DAMN I mean **ABU GHRAIB**, it's, uh... okay, I mean, fuckin' **ENRON** okay, an' **CIVIL LIBERTIES** 'n' shit??!! Gaaahhh!... **HOW CAN YOU...** nnnnnngggghh... preemptive fuckin' mini nuke **BULL SHIT** no-bid neo **AWOL VALERIE PLAME** imperialist mother-fffffaith-
